

Palmyra-Macedon Central School District
Transportation Supervisor Opportunity

The Palmyra-Macedon Central School District is seeking an exceptional leader to serve as Transportation Supervisor.

The Transportation Department has a staff of approximately 45 including bus drivers, mechanics, and clerical support.

The District transports our students over 600,000 miles annually to the 4 in-district schools and 30 out-of-district private and special needs schools.

The District welcomes applications from currently serving Transportation Supervisors from candidates who would be eligible under Civil Service requirements, and from candidates who possess New York State Education Department certifications such as SAS, SDA, SBA, SBL or other administrative or educational certifications.

Salary and benefits will be competitive based on the education and experience of the successful candidate.

Anticipated start date is September 2010.

Potential applicants are encouraged to visit the school district website at www.palmaccsd.org for detailed information including applications and instructions.

Application materials must be received by close of business on Friday, July 30, 2010. EOE
