VIRTUAL TRADE SHOW

FEATURING OUR INDUSTRY PARTNER

How can you get to 100% ZERO-Emission School Buses Now?

In the State of New York, there are substantial funds available to start repowering your Type A and C diesel school buses to 100% electric today. The funding available through the New York Truck Voucher Incentive Program (NYTVIP) can provide up to \$100,000 to fund your Type A buses with our SEA-Drive® 100 - 100% electric power system or up to \$200,000 for your Type C buses with our SEA-Drive® 120 system.

Let's begin the discussion today so you can take advantage of these available funds immediately.
