

## ***The Mission of STAMP***

- *STAMP promotes excellence within the pupil transportation industry by providing guidance and support to newer transportation professionals in the early stages of their careers.*
- *As individuals assume the responsibilities of a transportation supervisor, director, or head bus driver, each is faced with a need for assistance and guidance as they encounter the broad range of issues encompassed by school transportation management.*
- *Each individual comes to the position with their own unique set of skills and experiences. Rarely does an individual come to the job fully prepared and ready for the numerous and varied responsibilities that define the job of School Transportation management.*
- *NYAPT believes all transportation professionals can greatly benefit from outstanding and committed individuals who volunteer to serve as mentor and coach.*

***If the STAMP Program sounds right for you, contact NYAPT for further details.***

School Transportation Professionals go above and beyond the Yellow School Bus.

NEW YORK ASSOCIATION  
FOR PUPIL TRANSPORTATION

**NYAPT**

## **NYAPT is the association for every level of school transportation professionals.**

Founded in 1974, NYAPT represents all transportation professionals throughout New York State.

NYAPT provides a variety of professional development opportunities throughout New York State to help ensure safe and efficient transport for over 2.3 million students who ride on a yellow school bus to and from school every day.

NYAPT partners with regulatory agencies to ensure our members are at the forefront of ever-changing laws and regulations that encompass school bus transportation.

NYAPT offers many opportunities for members to network and collaborate on transportation trends, challenges and safety initiatives.

**While the benefits of a Mentoring Program are many, NYAPT views these as important measures of success:**

- Successful and more effective transportation professionals.
- Shorter transition period for new supervisors as they assume their responsibilities.
- Future leaders of the transportation industry and in local school operations.
- Opportunities for personal and professional growth.
- Improved student safety.
- Efficient transportation operations.

## **Why a Mentoring Program?**

- DMV 19-A requirements
- NY State specific educational requirements
- Regulatory agencies compliance & reporting
- NYS DOT regulations
- Contracts and RFPs
- Student safety education and management
- Transporting foster and homeless students
- Specialized training for safe transport of students with special needs
- Employee management, hiring, and retention
- Facility maintenance
- Extensive communication skills
- Budgeting
