SCHOOL BUS DRIVER OF THE YEAR

To Honor the Men and Women Who Safely Transport Our Children Each Day
Information and Application Materials

PURPOSE

NYAPT has established the SCHOOL BUS DRIVER OF THE YEAR award program to celebrate the work that school bus drivers do each and every day in our state. While there are hundreds of people involved in the school transportation enterprise, at the end of the day, it is those school bus drivers who have the responsibility for safely transporting 2.3 million children to and from school each day.

It is not our intent to select someone each year who is “better” than all the rest, but to allow ourselves to pause for a moment to recognize someone who is a really good school bus driver measured against the criteria we have defined. This is not a competition, but a recognition and celebration.

ELIGIBILITY

- The driver’s employer/supervisor must have been a member in good standing of the New York Association for Pupil Transportation for at least two consecutive years prior to this nomination;
- Nominee must possess a valid CDL with passenger endorsement, school bus endorsement and no points on their driving record;
- The nominee must have been employed for at least two full years with the employer who is submitting the nomination.
- An individual is eligible to win this award only one time.
- An individual who is nominated, but not selected can be nominated again in the future, but such nominations are not automatic.

APPLICATION PROCESS

The nominating entity or person shall send to NYAPT the following:

- A completed application (see attached)—no other form may be submitted or received;
- At least one photo of the nominee, preferably standing in front of or sitting in a school bus (up to three different photos may be submitted, as they are useful when announcing the award);
